Trial Lawyer and BK Law Founder Jesse Bernheim Sworn in to the Tennessee Bar as Bernheim Kelley Deepens Its Nashville Commitment

Founder of BK Law, known for multi-million-dollar verdicts and settlements in catastrophic injury and product liability cases, is now admitted to handle cases on behalf of injured Tennesseans

NASHVILLE, TN – October 20, 2026 – Jesse N. Bernheim, Founder and CEO of Bernheim Kelley Injury Lawyers, has been **sworn in as a member of the Tennessee Bar**. Bernheim is a trial lawyer whose career has centered on life-changing injuries. His admission means people facing those injuries in Tennessee can now be represented in a Tennessee courtroom by a veteran trial lawyer known nationwide for his exceptional results.

Bernheim Kelley opened their **Nashville office at 1 Music Circle North** to represent people hurt in car, truck, motorcycle and pedestrian crashes, on unsafe properties, and by dangerous products. Bernheim's admission sharpens the firm's focus on serious injuries, where the stakes for a family are highest. The firm handles many cases from first call through trial, and other attorneys regularly retain BK Law as trial counsel when a case is headed for a jury.

"When an injury changes a person's life, the case has to be prepared for trial from day one, because the insurance company is preparing for it from day one," said Bernheim. "Tennessee is a community we have chosen to be part of, and I wanted to be able to stand in front of a Tennessee jury myself for the families who trust us with possibly the biggest moments of their lives."

Bernheim's results reflect that focus. Jesse and BK Law, LLC have assisted in the recovery of over **$1 billion** in settlements and verdicts. Jesse’s results speak for themselves. He has had

countless settlements and verdicts of millions of dollars in many areas of personal injury and product liability law. Check out Jesse's results page for more information.

The Nashville office can be reached at **615-813-1111**.
